Dear Valued Customers,

Thank you for your recent inquiry concerning above subject matters.

We would like to officially confirm with your good company that base on Investment License 996/GP dated 22<sup>nd</sup> September 1994, that First Logistics Development (JV) Company (FLDC or **VICT**) **is allowed to operate a container port at current location for 40 years with option to extend for another 10 years.**

With reference to the latest Seaport Master Plan development decision number 1745/QD-BGTVT dated 3<sup>rd</sup> August 2011, issued by Ministry of Transportation that VICT;

We hope the above explanation will help to ease your concern.

Yours faithfully,
